

BE IN THE KNOW

Are you wondering about the new curriculum and graduation exams?

Or what about new terminology being bandied about such as Know, Do and Understand? Core Competencies of Communication, Critical Thinking and Personal Responsibility? How about Big Ideas, Content and Curricular Competencies?

YOU are invited to attend a presentation and discussion being hosted by our SD83 District Curriculum team at any of five different schools!

Please attend the session which fits your schedule and bring all of your questions!
